How You Can Use the NVC Process

Clearly expressing how <u>I am</u> without blaming or criticizing

Empathically receiving how <u>you are</u> without hearing blame or criticism

OBSERVATIONS

1. What I observe (see, hear, remember, imagine, free from my evaluations) that does or does not contribute to my well-being:

"When I (see, hear) . . . "

1. What you observe (see, hear, remember, imagine, free from your evaluations) that does or does not contribute to your well-being:

"When you see/hear..."
(Sometimes unspoken when offering empathy)

FEELINGS

2. How I feel *(emotion or sensation rather than thought)* in relation to what I observe:

"I feel . . . "

2. How you feel *(emotion or sensation rather than thought)* in relation to what you observe:

"You feel . . . "

NEEDS

3. What I need or value (rather than a preference, or a specific action) that causes my feelings:

"... because I need/value..."

3. What you need or value (rather than a preference, or a specific action) that causes your feelings:

"... because you need/value..."

Clearly requesting that which would enrich **my** life without demanding

Empathically receiving that which would enrich **your** life without hearing any demand

REQUESTS

4. The concrete actions I would like taken:

"Would you be willing to . . .?"

4. The concrete actions you would like taken:

"Would you like . . . ?"

(Sometimes unspoken when offering empathy)
